

Private Michael Rowland  
Revolutionary War  
DAR – 74 238

Several reports show that Michael served in Captain Brice Martin's company from Henry County, Virginia. The Lee County Bicentennial History states that Michael served with Company B, 1<sup>st</sup> Tennessee, Cavalry. He could have fought with both organizations.

Deed records from Henry county show a long relationship with Captain Martin.

He fought at the critical battle of Guilford Court House in North Carolina.
